## **Residents invited to free Health and Safety Fair**

**FONTANA** – Free health screenings, bicycle helmets, child car seats, refreshments, entertainment and more await those attending the 5<sup>th</sup> annual Fontana Health and Safety Fair from 10 a.m. to 2 pm. on Saturday, June 23, at Jack Bulik Park in Fontana.

"I invite everyone to come out and have fun learning about health and safety at this enjoyable community event," said Board of Supervisors Chairman Paul Biane, who started the annual event in 2003. "Attendance has grown every year as more and more people learn about this wonderful opportunity to get free health checks, safety information and have a great time with their families and neighbors."

This year's fair will feature several new services for residents, including two CPR awareness classes hosted by American Medical Response. The free, two-hour classes will be held at 10 a.m. and noon. Pre-registration is required as space is limited to 40 participants. Residents can register online at [www.sbcounty.gov/biane](http://www.sbcounty.gov/biane).

Other new features include a BMX stunt show by the Inland Empire Health Plan's Rad Riders, free teddy bears from San Antonio Community Hospital, and a mock accident scene created by Arrowhead Regional Medical Center staff. The accident scene will demonstrate the importance of wearing seatbelts while driving.

Residents can call (909) 945-4297 for more information about the event. Jack Bulik Park is located at 16581 Filbert Street between Juniper and Cypress.
